

Safety for Municipalities

1 Who Should Attend . . .

This program is a must for anyone concerned about health and safety on the job including:

- ▶ Managers concerned about liability and worker's compensation costs
- ▶ Employees who want to learn proper techniques for protecting their safety and health at work
- ▶ Business owners who want to learn about compliance with MIOSHA

2 Why you need this Workshop . . .

- ▶ To reduce disabling injuries and illnesses to employees - and to ensure that every worker goes home safe and healthy every day.
- ▶ To reduce the high direct costs of work-related injuries, which grew to \$42.5 billion nationally in 2000, and indirect costs, which were estimated at an additional \$127 - \$212 billion in 2002. (*2003 Liberty Mutual Safety Index.*)
- ▶ To enhance your company's bottom line. A strong safety and health commitment not only protects workers, it also reduces worker's compensation costs, improves employee morale, and increases production and quality.

3 What You'll Learn . . .

This course presents how MIOSHA standards apply to all types of government agencies and to develop and establish a comprehensive safety and health management system that complies with applicable MIOSHA standards. Topics that can impact the safety performance of employee safety include MIOSHA Inspection Procedures, Top 25 MIOSHA GI Violations, Required Written Programs - PPE Assessment, Lockout, Confined Space, Hazard Communication, and other applicable standards. This course will assist the attendees in understanding how to identify and control workplace hazards that may expose workers to injury thus reducing cost to their organization.

Agenda

*We offer a flexible
program agenda
to emphasize the
topics you
want most.*

Top 25 General Industry MIOSHA
Violations

Facilitator

Lee Jay Kueppers was appointed to MIOSHA in 1987 and joined the Consultation Education and Training Division in 1998 after serving more than 10 years as a general industry compliance officer. Prior to his appointment to MIOSHA Lee Jay was employed by Ford Motor Company and worked as a full-time fire fighter/EMT in New Mexico. Lee Jay continues his interest in fire fighting by serving as an on-call firefighter/EMT with the Washington Township Fire Department as well as teaching fire science part-time at Macomb Community College. He is a state certified fire instructor.

Lee Jay has a bachelor's degree in Industrial Safety and Fire Science from the University of Maryland and an Associate's degree in Fire Science from Macomb Community College. He performs his consultation services to employer/employees in Bay, Tuscola, Huron, Lapeer, Sanilac and parts of Macomb and St. Clair Counties.
